

WANT TO EXPERIENCE KYOTO'S AMAZING TRADITIONAL ARTS & CRAFTS?

As one of the world's historical cities, Kyoto has plenty of traditional arts and crafts workshops. They are the result of many years spent polishing skills and techniques. Many foreign tourists take part in traditional craft workshops, favorably received as a chance to personally experience the Japanese sense of beauty. One temple offers the chance to experience Zen and the tea ceremony, which have caught the interest of famous entrepreneurs and creators from all over the globe. As it is even possible to see how the recently increasingly popular Matcha tea is made, you can see with your own eyes how that beautiful green is created.

You are sure to be amazed by Kyoto's culture experience workshops. Why not rent a kimono and take a leisurely stroll down the streets of Kyoto? The majority of participants come from abroad, so these activities are designed to be enjoyed by foreign visitors.

In the relaxed surroundings of the suburbs of Kyoto, learn the technique and culture of sword forging from Yuya Nakanishi, a certified professional swordsmith - the only one left in Kyoto Prefecture.

After looking at the Japanese swords he owns and learning how to appreciate their value, you will forge a knife for everyday use. Repeatedly heating and hammering, you make a blade with the preferred shape made of strong and tough metal. Several courses are available depending on the schedule (half day/one day). You will no doubt be amazed

at the sophisticated process of making blades and the beauty of the finished work.

*Although these are private lessons, there may be times where you will be learning with other people, depending on the number of participants.
